

Marine Aquarium Society of the Carolinas

Announcing the Marine Aquarium Society of the Carolinas!

MASC exists to integrate hobbyists, businesses, and scientists into a unified organization dedicated to education, conservation, and improved husbandry of marine species.

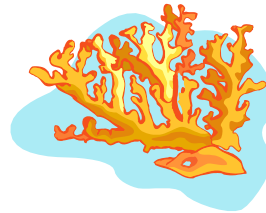

Benefits of Membership:

- Organized Meetings (better facilities, nationally-known speakers, contact with fellow regional hobbyists, frag creation demos, and access to vendors from across the Carolinas)
- Access to the organization's website (file uploads/galleries per person, member tank sections, useful forums, personal e-mail, and powerbuys for members)
- Others include a percentage off at local fish stores in your area with membership cards, reduced cost for special events, possibility of hosting MACNA (the largest Marine Aquarium meeting in the country), contacts with other aquarists in a larger multi-state area, yearly rotating meetings.

Check out our website at:

<http://masotc.org/>

Dues: \$24 per year

**First Annual Vendor Show and
Meeting
August 28th
Raleigh, NC
At the NC State College of
Veterinary Medicine**
